

The Experience of GP Services

A trends analysis report by Healthwatch Waltham Forest

CommunityInsight

Healthwatch is the official consumer champion for users of health and social care services. We listen to people's stories, good and bad, and report on their collective experience. In this report, we examine the experience of local GP services.

Reporting Period: 1 January - 31 December 2022

Index and overview of findings

Data Source (Page 4)

This report is based on the experience of 1,073 people. Feedback has been obtained from a variety of sources, including engagement, surveys and comments posted online (NHS, Care Opinion and social media).

Top Themes (Page 5)

A broad majority of people receive good quality treatment and nursing care. According to feedback, patients would like greater levels of service access, communication, empathy, involvement and support.

Overall sentiment is 47% positive, 52% negative and 1% neutral.

Trends...

According to feedback, overall satisfaction has improved by 5% this quarter.

Addison Road Medical Practice and Churchill Medical Centre receive a notable volume and ratio of positive comments.

Service Access (Page 6)

People continue to report difficulties with telephone access, associated problems with booking, and longer than expected waits for routine appointments.

Trends...

Satisfaction on service access has improved by 6% this quarter, comments suggest. Complaints are down by a notable 11% on waiting lists and by 5% on booking, while increasing by 5% on telephone access.

Comments suggest satisfaction at most practices is noticeably negative overall.

Clinical Treatment and Staff Attitude (Pages 7-8)

Experiences indicate a broad majority of people receive good quality treatment and nursing care, however support is in cases lacking. On staff attitude, there is general praise for clinicians, while notable criticism of reception staff.

Trends...

This quarter, complaints are down by a notable 11% on treatment and care, and by 5% on staff attitude.

St James Medical Practice, Churchill Medical Centre and Addison Road Medical Practice receive a notable volume and ratio of positive feedback.

Administration and Communication (Pages 9-10)

Many people complain of general administration, and some would like greater levels of support from reception staff, and levels of communication service wide. Repeat prescriptions, test results and the ability to complain are also cited as issues.

Trends...

Complaints about communication have increased by a notable 15% this quarter, while increasing by 3% on administration.

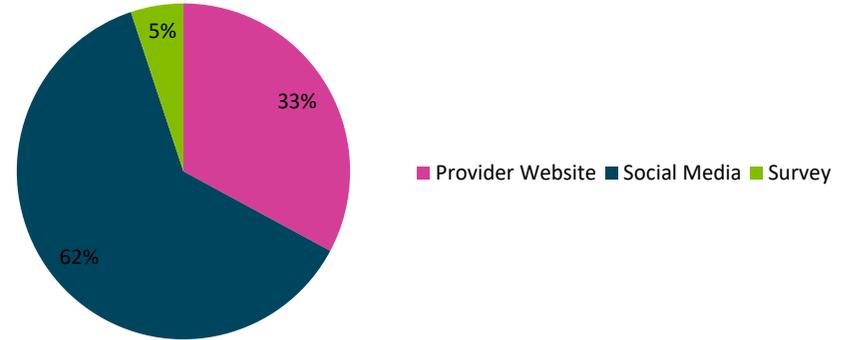

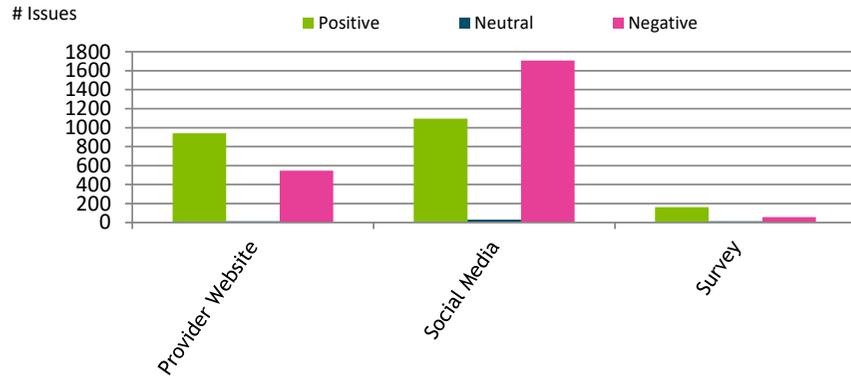

Addison Road Medical Practice receives a notable volume and ratio of positive feedback.

Disclaimer: The trends within this report are based on service user comments we have obtained from sources outlined on Page 4. Comments obtained from these sources may not be representative of all service users experiences or opinions.

1. Data Source and Conditions/Topics

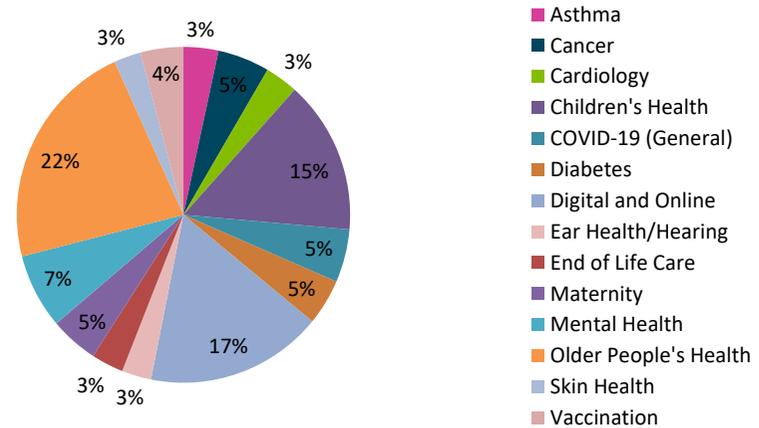

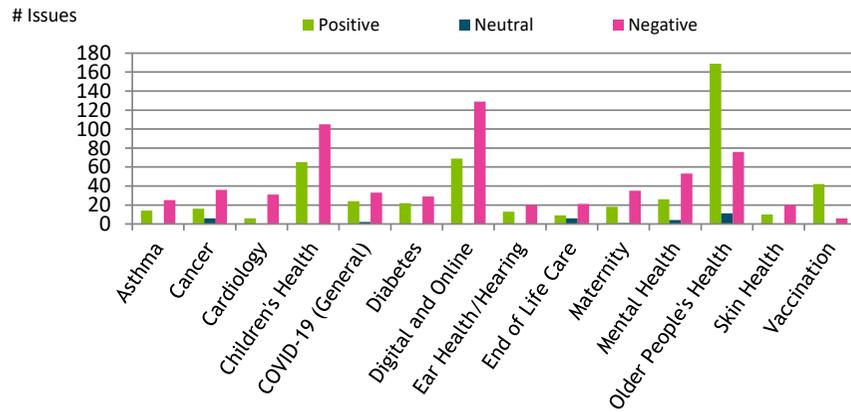

1.1 Source

Sources providing the most comments overall

1.2 Stated medical conditions/topics

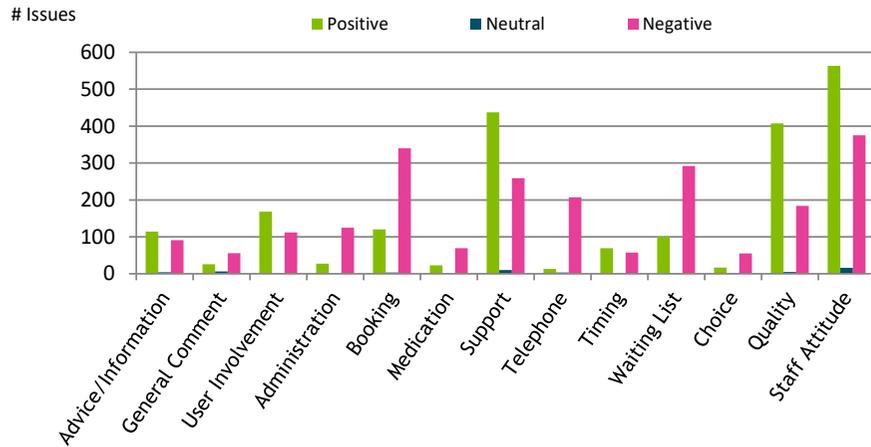

Medical conditions/topics receiving the most comments overall
