LTC Services in North East London (NEL)

Trends Analysis Report

Healthwatch is the official consumer champion for users of health and social care services. We listen to people's stories, good and bad, and report on their collective experience. In this report, we examine the experience of local services for long-term conditions.

Reporting Period: 1 October 2020 - 30 September 2022

Report Index

Data Source (Page 3)

Identifies the origin of the data, by source and borough.

Top Trends (Page 4-5)

Identifies the top service sectors, specialisms, medical conditions/topics and service related issues.

Satisfaction Levels (Pages 6-7)

Tracks satisfaction of service aspects over time, and by borough.

Equalities (Page 8)

Monitors experience by demographic groupings.

Experiences by Borough (Pages 9-16)

Explores trends by individual borough.

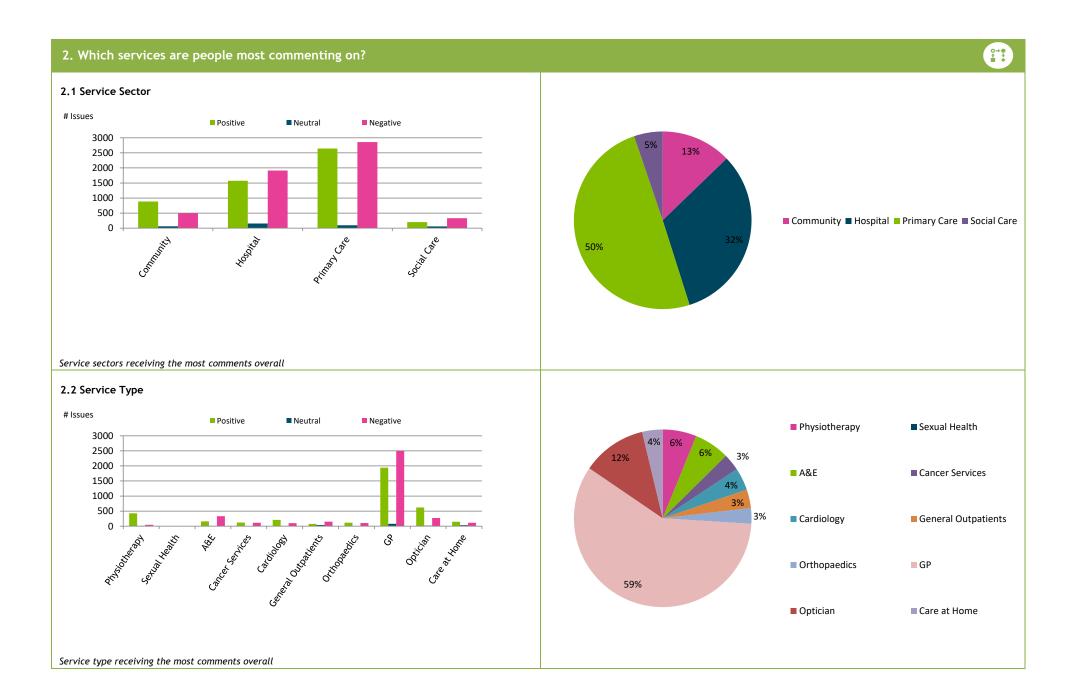

Data Table (Pages 17-18)

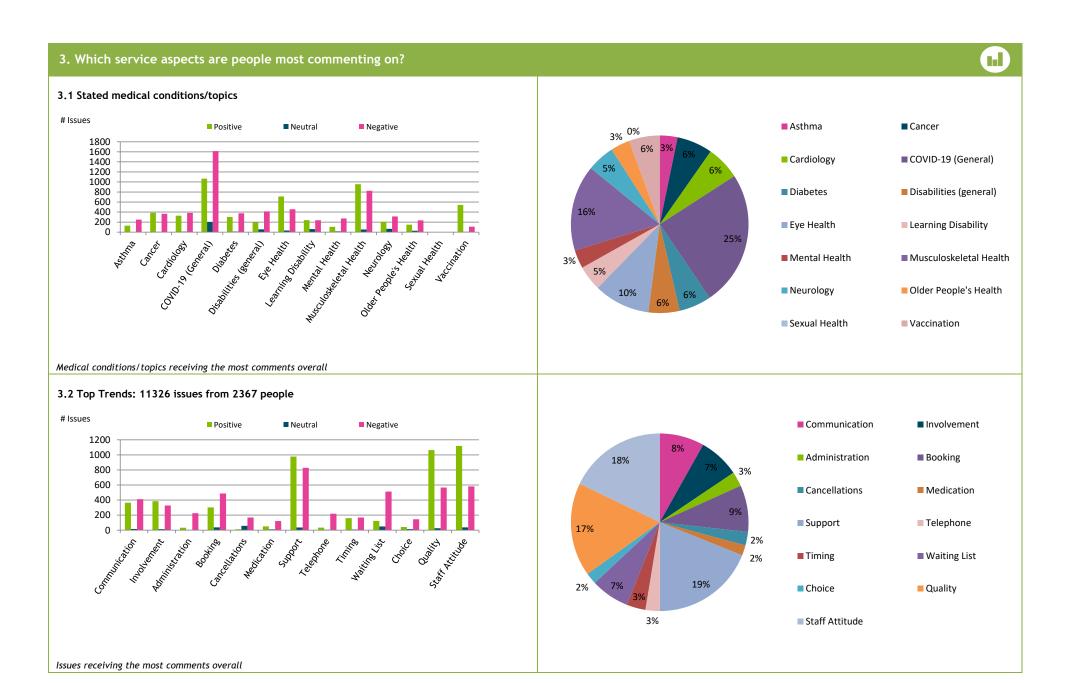

The numbers underpinning the trends.

Disclaimer: The trends within this report are based on service user comments we have obtained from sources outlined on Page 3. Comments obtained from these sources may not be representative of all service users experiences or opinions.
